

South Dakota Breeding Bird Atlas 2

Dear

I would like to thank you for being part of the South Dakota Breeding Bird Atlas surveys. By allowing me to have access to your property we have gained valuable information regarding the birds that are summer residents here in South Dakota. Below is a list of species that I found on your property during my visits.

Thank you again for your cooperation in this project. For more information, please visit our website (www.rmbo.org/SDBBA2) or contact the Atlas coordinator, Nancy Drilling, at 970-222-5884 or SDatlascoordinator@rmbo.org.
